

Experiences of Investors with INVEST PUNJAB

ITC Ltd is setting up a Food Park at Kapurthala with an investment of over Rs. 750 cr.

"ITC is in the process of investing in an 'Integrated Foods Manufacturing cum Logistics Centre' at Kapurthala, Punjab. INVEST PUNJAB office and the state authorities have been extremely pro-active and cooperative to facilitate ITC's state of the art investment including quick allotment of land and sanctioning of necessary approvals."

Sanjiv Puri, President FMCG Businesses

Cargill India Pvt Ltd is setting up a cattle feed manufacturing plant at Bathinda with an investment of Rs. 70 cr

"We conceived the idea of establishing a Dairy Feed Mill in Punjab during January 2014. When we approached PSIEC for land, the response was so positive that it enthused us to crystallize our project. The entire process of allotment of the land and associated clearances took around 45 days. The INVEST PUNJAB team facilitated in the most professional manner to finalize our project which goes a long way in enabling us to continue to strengthen the existing relationships with the livestock farmers in the State."

Achyuth Iyengar, Managing Director, Cargill Feed & Nutrition - India

International Tractors Ltd is increasing its manufacturing capacity to 500 tractors per day at its plant at Hoshiarpur with an estimated investment of Rs. 215 cr.

Last year we planned a major Expansion at our Plant at Hoshiarpur to produce 500 Tractors per day. We applied in June 14 to INVEST PUNJAB for all the required clearances under new Single Window of System . It was a pleasant experience to deal with INVEST PUNJAB and we got clearances within Two months without going to any other Government offices. We got proper guidelines and support from officials of Bureau to file correct papers which helped in getting clearances in short period.

We are sure that this will help in bringing new Industries in Punjab as well as Expansion of Old Industries. We wish all success to the PUNJAB BUREAU OF INVESTMENT PROMOTION.

J.S.Chauhan, VP-Operations, International Tractors Ltd

Bharti Airtel Ltd is rolling out 4G and other allied services across the state with a planned investment of Rs.4000 Cr in different phases

"Airtel has been at the forefront of Punjab's telecom growth story and we are delighted to partner INVEST PUNJAB's office to contribute towards Government of Punjab's vision to build a digitally inclusive state. Today customers in 10 towns of Punjab experience our high speed cutting edge 4G technology - the most advanced wireless broadband experience available across the globe, matching their internet experience with the rest of the world. We are committed to further augment our network across various technologies with continuous support from INVEST PUNJAB's office that will further empower people with information and services available at the touch of their mobile screens."

Manu Sood, Hub CEO – Upper North, Bharti Airtel (India)

What is INVEST PUNJAB?

INVEST PUNJAB is a one-stop system for all State level regulatory and fiscal clearances for investors. We ensure smooth approvals for projects from proposal stage up to completion stage. Potential investors have minimum interaction with individual government departments and INVEST PUNJAB is the single point of contact for investors.

INVEST PUNJAB is a "Unified State Regulator"- the only one of its kind for an Indian state. We have a unique structure with officers from various regulatory departments working together under one roof. INVEST PUNJAB is headed by a Chief Executive Officer who has powers vested from various departments to provide approvals.

- Punjab Pollution Control Board
- Directorate of Boilers
- Excise and Taxation
- Town and Country Planning
- Directorate of Factories
- Local Government
- Labour
- Forest and Wildlife
- Punjab State Power Corporation Ltd.

The powers vested with INVEST PUNJAB include Consent to Establish from Punjab Pollution Control Board, Change of Land Use (CLU) from Department of Housing & Urban Development or Local Government, issuance of Temporary/Permanent power connection, and many more.
