

Instructions for installing InvestPunjab Mobile App:

1. Please go to <http://investpunjab.gov.in/account/login> and click on **Android App for Investors** link as shown on screenshot below:

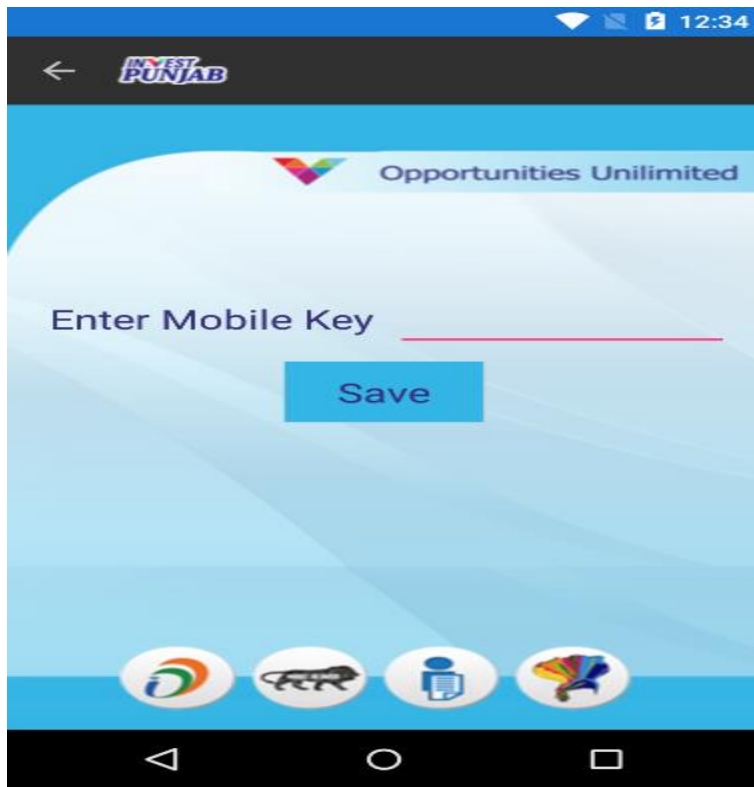

2. It will go to **InvestPunjab Mobile App & Installation Instructions** page as shown in screenshot below:

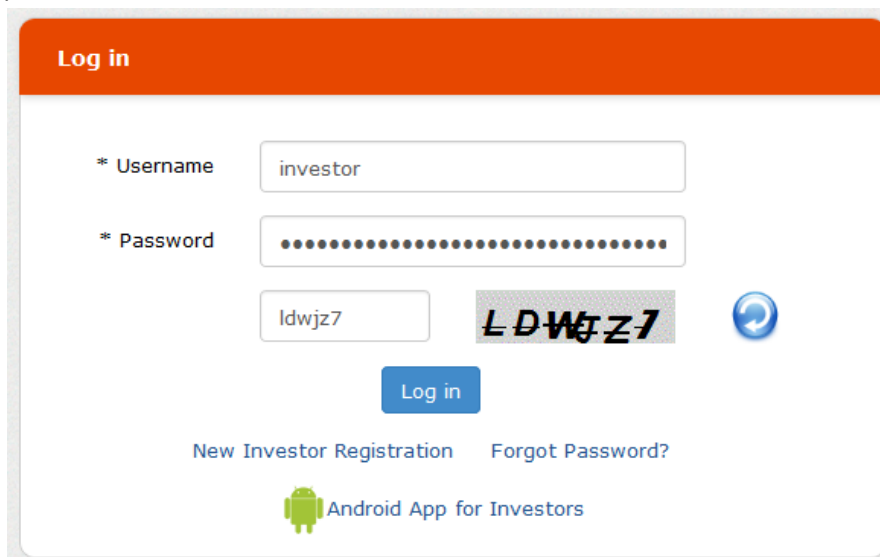

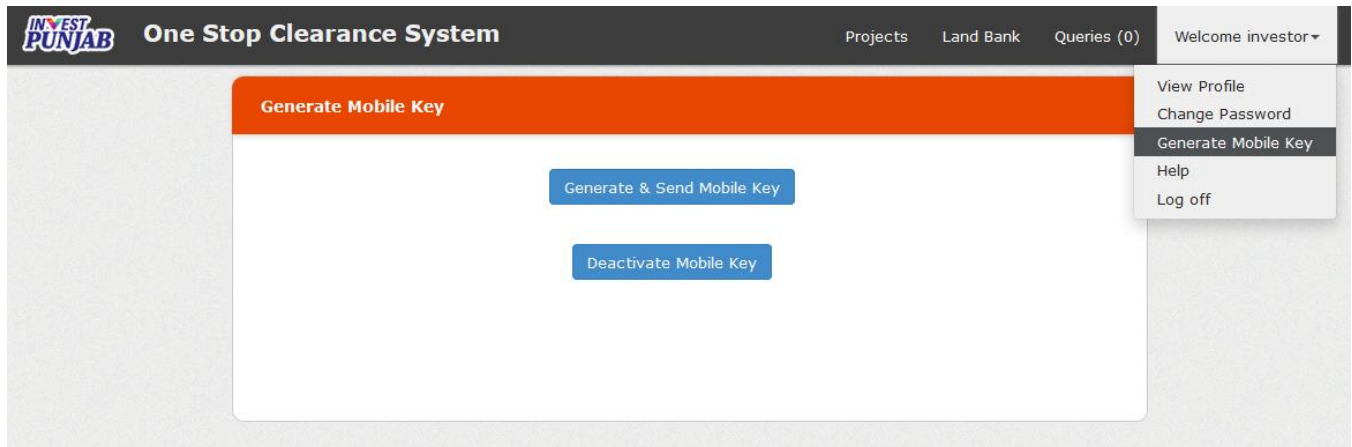

3. Click on **InvestPunjab** icon. It will download the app.
4. Install **InvestPunjab** app on your Android Mobile.
5. Installation starts with **Enter Mobile Key** screen shown in screenshot below:

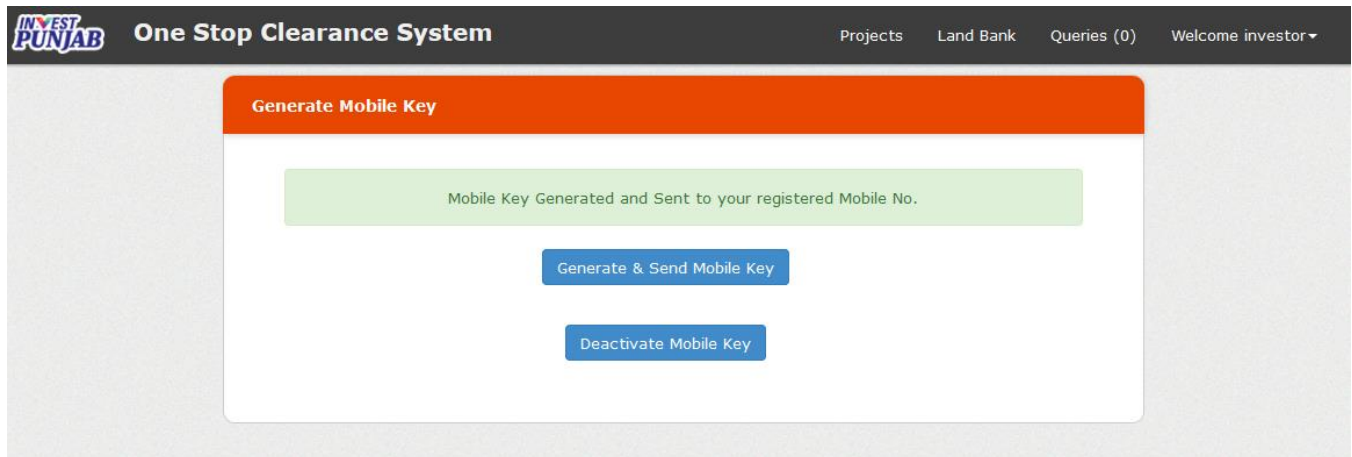

6. For getting **Mobile Key**, First go to <http://investpunjab.gov.in/account/login> and login the OSCS by giving username and password as shown in screenshot below:

7. Click on **Welcome <username>** → **Generate Mobile Key** menu option as shown in screenshot below:

8. Click on **Generate & Send Mobile Key** button. It will generate a new **Mobile Key** and send it to your registered mobile no. through SMS as shown in screenshot below:

9. Now you have **Mobile Key**. Enter this **Mobile Key** into **Enter Mobile Key** screen discussed in Step 5.
10. App is installed on your Mobile Phone. Using this app you can see the status of your projects submitted in Punjab Bureau of Investment Promotion in real time.
11. Please note that if you lost your mobile phone, deactivate your **Mobile Key** by pressing **Deactivate Mobile Key** button. This will make mobile app non-functional.
