in

“Ease of Setting up a Business”

by World Bank

“Remarkably, Punjab is the only State in which the single window system allows application for all of the licenses studied in this assessment,”

Extract from the Assessment of State implementation of Business reforms report | September 2015

➤ **Fastest growing economy**

8.7% CAGR in manufacturing sector during last decade

➤ **World's largest skill & education market**

62% population is in the working age group (15-59 years)

➤ **By 2022**

Requirement of 110 million skilled manpower

INDIA'S GROWTH STORY

“Demand for skilled manpower and the government’s thrust on vocational training offers a sizeable opportunity for private players”.

- ✓ Dedicated state Skill Development Mission for targeted skill development
- ✓ Robust skill development infrastructure with **193 polytechnics, 369 ITIs** and other institutions
- ✓ Setting up of Multi Skill and sector specific skill development centers
- ✓ Short term skill training of new entrants to the workforce as well as **up-skilling, reskilling, and recognition** of prior learning of existing workforce
- ✓ Target to **upgrade the skills of 3 Lac. youth of the State in 2015-16** to make them employable for upcoming new age industry
