- International Tractors (Sonalika) has established the world's largest integrated tractor manufacturing plant in Hoshiarpur, Punjab with a production capacity of 3 lakh tractors annually.
- The traditional craft of wood inlay work from Hoshiarpur has been conferred the National Award and National Merit Certificate.
- Rail Coach Factory (RCF), Kapurthala was the 1st unit in India to produce the German Linke-Hofmann-Busch coaches (LHB coaches).
- RCF is the only production unit of the Indian Railways to roll out all five types of new genre coaches — Tejas, Humsafar, Uday Antyodaya and Deendayalu.
- Region houses the biggest integrated food park by ITC (Kapurthala)

INVESTORS VOICE

We have experienced an administration that is extremely progressive, investor-friendly & completely solution oriented. Not only do they take feedback from the investors but they also implement it. I believe the robust world-class infrastructure and the development in Punjab is a result of the tremendous amount of sustained effort of the entire state machinery to make Punjab a preferred investment destination.

Mr. Sanjiv Puri
Chairman & MD,
ITC Ltd.

The State has a strong base for ancillary units, has trained and educated manpower and excellent connectivity to the large consumer market of North India. The Punjab Bureau of Investment Promotion has contributed in a big way in growth of Industries in the State. Given unmatched support from Government of Punjab, we have executed two consecutive expansions of INR 553 crore and INR 500 crore in the existing facility.
